

NOTICE

Subject: Mandatory Use of GUB Official Email for Accessing University E-Services

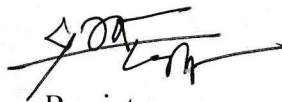

In accordance with the approval of the management authority, this is to inform all students of Green University of Bangladesh that, with immediate effect, the use of the university's official email address (e.g.,@student.green.ac.bd) is mandatory for accessing all kinds of electronic services and official communication provided by the university.

Please note that no requests or queries sent from personal email accounts will be entertained for any academic, administrative, or support services, including—but not limited to—class schedules, examination matters, results, notices, and financial transactions.

You are therefore advised to regularly check and use your official GUB email account to ensure uninterrupted access to all university services.

For any assistance regarding your university email access, please contact the IT Support Desk at geits@green.ac.bd.
